

STUDENT WORKSHOP PRESENTATION FORM**CRITERIA**

Length of Presentation: 45 minutes – Include some time for Q & A

Topics: Exploring Sustainable Solutions to a Global Issue or a Service Project.

Be sure to address the steps towards sustainability and the challenges of sustainability.

Focus workshop around an essential question. Near the conclusion, the question should be answered and discussed with the group.

Design interactive workshops so as to engage your audience and promote learning
Photocopy any handouts in advance of workshop.

DETAILS OF PRESENTATION:

Title (essential question):

Short Description: (50 words or less)

Name of School:

Name of Presenters:

Will you need technology for your presentation? (If so, what do you need from AISL? Be specific. – We may, or may not have the necessary resources. Most workshop rooms will have a computer, an LCD projector, speakers, a white board and access to the Internet. However, it is better to provide your own laptop when possible.)
