COLLEGE ACCEPTANCES

Hussein
BA (Hons) Economics,
Finance and Business

Nottingham Trent International College, Nottingham Trent University, UK

Hussein is the first of the class of 2018 to receive an admissions acceptance from a college. Well done Hussein!

He has been offered admission to Nottingham Trent International College: a truly international school with students from 57 nations in attendance.

The College offers pathway courses in partnership with Nottingham Trent University and is integrated into the University campus. Hussein has been accepted onto a pathway course. Successful completion of the two-term course leads to guaranteed entry to study for the Bachelor of Arts with Honors in Economics, Finance and Business at Nottingham Trent University.

All students taking this pathway course study the following modules: Language for Study; Skills for Study; and Statistics. They will also study a selection of the following, determined by their course pathway and length: Business and the Business Environment; Business Enterprise; Economics in an International Context; Introduction to British Society and Culture; Introduction to Legal Principles and System; Introduction to Social Sciences; Personal Development and Pre-Study Skills; Preparatory Mathematics and Information Communication Technology; and The Individual, State and Society.

To ensure success, students receive support from the moment they arrive in the UK. The College staff do a fantastic job of helping new students settle in, make

friends and adjust to life in Nottingham. In addition, the experienced teachers give each student the attention and help they need to successfully progress to university. Students not only have the excellent resources at NTIC to help them with their studies, but they also have access to Nottingham Trent University's facilities. Making use of NTU's libraries, computer labs, Students' Union and shops is a great way for students to become immersed in the University community.

The College is embedded on the Nottingham Trent University campus, and situated in the very centre of the city of Nottingham. This city is a vibrant and exciting place, with a particularly young population. With fantastic shopping, culture and nightlife just a short walk away, there's plenty for students to see and do.

RECENT COLLEGE ACCEPTANCES

Grace
NC Horse Care

Oatridge College, Scotland's Rural College, UK

Grace has started her post-secondary education at Oatridge College where she is studying for the National Certificate in Horse Care. This course provides the first step on the ladder of equine qualifications. It is designed to give a practical foundation in horse care and equitation, combined with the core skills required for employment in the equine industry.

A range of topics are covered during the course including Safe Horse Handling, Horse Health, Watering and Feeding, Stable Routine, Care of the Horse at Grass, and Preparation for Ridden Work. Students undertake early morning and weekend yard duties as part of their course. An acceptable level of fitness is required to enable students to ride effectively and carry out these duties.

Oatridge College is one of six campuses of Scotland's Rural College that delivers comprehensive skills, education, and business support for Scotland's land-based industries. It is founded on world class and sector-leading research, education, and consultancy. The Oatridge campus stands on its own 283-hectare estate in the West Lothian countryside. The peaceful Campus has woodland walks, public footpaths, a farm, and the 435 ft. Binny Craig: a rocky outcrop giving wonderful views north across the Firth of Forth to the Trossachs, and south to the Pentland Hills. www.sruc.ac.uk

Megan
BA Political,
Philosophical, and
Economic Studies

Stellenbosch University, South Africa

Megan was recently accepted to attend Stellenbosch University to study for the Bachelor of Arts in Political, Philosophical, and Economic Studies (PPE). This classic combination of involves an academically rigorous grounding in all of these closely connected subjects, as well as the opportunity to specialise in one or more of them. Students follow a curriculum designed in consultation with all three participating academic disciplines. After the PPE, depending on the courses they have chosen, students may study for Honours degrees in any of the three fields or in PPE. Graduates of the PPE have followed many careers, including work in banking and finance, politics, journalism, law, social work, and government and non-governmental organisations.

The history of Stellenbosch University dates as far back as the 17th century, when regular school education was initiated in the town. It now serves over 30,000 students from diverse backgrounds and cultures.

The main campus in the picturesque university town of Stellenbosch in the heart of the Western Cape winelands, is quite

an attraction for students. www.sun.ac.za
