

Evidencing Learning

Workshop Description

Engage with the latest developments in educational assessment, its purpose and characteristics. Explore how to monitor, document, measure and report on learning to inform the learner, learning and teaching and the learning community throughout the learning process.

You will strengthen your assessment capabilities by: analysing data and evidence to inform decision-making for learning and teaching, providing meaningful feedback to feedforward for next steps, and supporting your students to become assessment capable.

Recommended for PYP teachers and coordinators.
